

VENUS HOME APPLIANCES (P) LTD.

Quality POLICY

VENUS HOME APPLIANCES (P) Ltd provides products and services that always meet our objectives and where ever possible exceed the needs of the customer requirements, based on the following precepts.

1. VHA is committed to deliver the highest quality of home appliances that meet national and international standards of safety and quality.
2. Adhere to applicable legal and other requirements of QMS.
3. Continually strive for improvements by addressing the risks that affect the conformity of product and services.
4. The requirements of interested parties are clearly understood and our product and services are delivered in timely and professional manner.
5. Consistently meet and exceed the needs of our customers by upgrading our employee skills and reviewing the established quality objectives.

The policy is communicated to all persons working for or on behalf of VHA and made available to the interested parties.
