**LYRA**

**THE SMART WATER HEATER  
FOR THE SMART GENERATION**

Presenting Lyra, the water heater for the next generation. With state-of-the-art features to save energy and give you the hot water bath you deserve!

# Lyra Smart

Introducing Lyra Smart, an advanced technology water heater. With a digital temperature display that allows you to have the hot water bath that is perfect for you.

Digital Display: For visual indication of temperature.

**Smart Indicator**  
Colour Changing LED ring :

Heating

Ready to use

# Lyra Digital

Introducing the most futuristic water heater - the new Lyra Digital with a digital display, a smart mode that saves power and a power meter that will let you keep track of power consumption

Multi-function Display: For visual indication of temperature and program options.

**Smart Indicator**  
Colour Changing LED ring :

Heating

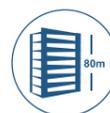

Ready to use

## Features

**Porcelain Enamel Glass Lined Tank:** Manufactured in a modern, automated plant using European Technology. Protects the tank from rust and corrosion.

**8 bar pressure:** Suitable for pressure pumps and multi-storey buildings.

**Glasslined Incoloy Element:** Withstands temperatures up to 1000°C. Long lasting, even in hard water.

**Sacrificial Magnesium Anode:** A special device to enhance the corrosion protection of the tank by means of "Cathodic action".

**Hard water protection:** Low density, Glasslined element for long life in hard water areas.

**7 years Guarantee** on inner tank

**Thick Polyurethane Foam (PUF) insulation:** Reduces heat losses and keeps water hot for much longer.

**4 years Guarantee** on Heating Element

## Unique Features

Wireless Remote Control

Smart Mode: Energy Saving Fast Heating, Zero Scaling

Power Saving Mode

Morning/Evening Shower Programs: To switch on/off the water at set temperature

Multi-function Display: For visual indication of temperature and program options.

Power meter : To show actual power consumption

Triple Safety : Multi-function Safety Valve, Capillary Thermostat & Thermal cutout.

ABS outer body : Corrosion free. Shock proof
